Good Friday Service
Preparation Instructions

We are so glad you can join us for this year's Good Friday Service! It is our great hope that this time will be a time for you to connect with Jesus in a unique way as we move toward Easter Sunday.

In your Good Friday pack, you should find the following items: a nail, a piece of cloth, a coin, an antacid tablet, a candle with a paper covering and a Communion cup. If your pack is missing an item, please try to find a similar item in your home to replace it for the service.

To prepare for the service, make sure you have your pack of items with you. You will also need the following on hand during the service: 1) a match or lighter for the candle and 2) a sharpie or other fine-tipped marker 3) a glass or bowl of water. One set of these can be shared with everyone in your household.

You can use the following Zoom link to join the service at 7:30pm. Please try to keep your video on and your sound muted during the service.
